0 of 0 review helpful Must read By BachMere Emily Post is fantastic and I love being up to speed with etiquette When

it came time to plan our wedding I turned to this book which was REALLY helpful I read nearly all of it and even though we didn't follow it to a T we still used it as a point of reference When a friend got engaged I re-gifted it to her This book is straight and to the point It gives Peggy Post America's etiquette authority presents an indispensable comprehensive guide to planning and personalizing your wedding Today's weddings are more complex than ever before with new traditions and new family relationships to consider This thoroughly revised fourth edition of the classic Emily Post's Wedding Etiquette addresses countless wedding questions both old and new With the famous Post blend of sensitivity and practicality Peggy Post shows
