4 of 5 review helpful Funny and helpful but mostly common sense By L CR I really enjoyed this book and got a lot out of it I would have given it a higher review than 3 stars but I did have some issues with the book 1 The author was too negative about certain wedding traditions mainly the practice of having bridesmaids She repeatedly used the phrase Honor of being a bridesmaid with the word honor in quo Covering such wedding staples as attendants invitations registries showers the ceremony the reception and thank yous Etiquette guru Jeanne Hamilton will give numerous examples of bad etiquette that should be avoided at all costs such as No bride owns the calendar Insisting that everyone within your acquaintance had not dare schedule their wedding anywhere within a six month time period labels you as a classic Bridezilla Sponsored wedding at which From Publishers Weekly Rather than lecture couples about what they should do before during and after the Big Day consultant Hamilton Bridezilla True Stories from Etiquette Hell warns them what not to do in this quick easy guide to modern day manners Hamil
