1 of 1 review helpful Five Stars By Mary Oliver My granddaughter enjoyed receiving this book which is one of her favorite library books 1 of 3 review helpful so so book By Donna S This book didn t really apply to my flower girl and if anything it focused more on her being nervous when my flower girl is so excited and she thinks that it s HER getting married Since i The little girl in this story is not so sure she wants to be her Aunt Julie s flower girl She would rather play hide and go see at Grandma s hide under the couch until the wedding is over rider her bike or go swimming than wear flowers in her hair However she soon discovers a wedding dress veil and gloves from her own mother s wedding in Grandma s attic Pretty soon she s thinking about her own wedding but for now she ll just be the flower girl
