0 of 0 review helpful Not too much energy went into writing this book By M Heiss The Great Neighborhood Book has good ideas but it seems like very little effort went into making it readable eliminating redundancies or expanding the case studies It reads like a power point lecture from a library seminar A few bullet points a few paragraphs a source

citation and that's all you get It keeps pounding away Abandoned lots and litter strewn pathways or rows of green beans and pockets of wildflowers Graffiti marked walls and desolate bus stops or shady refuges and comfortable seating What transforms a dingy inhospitable area into a dynamic gathering place How do individuals take back their neighborhood Neighborhoods decline when the people who live there lose their connection and no longer feel part of their community Recapturing that sense of belonging null 2007 04 09 Abandoned lots and litter strewn pathways or rows of green beans and pockets of wildflowers Graffiti marked walls and desolate bus stops or shady refuges and comfortable seating What transforms a dingy inhospitable area into
