1 of 1 review helpful Good a written summary of the TV show By Thereya If you adored the UK tv series this book is a written summary of it It s interesting easy to read and enjoyable I liked it because the series made me fascinated by traveller culture The downside is that there is very little in this book that is not in the tv series There are several other books on that contain more original content on travel Welcome to the wonderful world of Big Fat Gypsy Weddings This is the official book of one of the most talked about TV series ever to have hit our screens The show offered a unique insight into the traveller and gypsy communities their lives loves and their incredible wedding ceremonies But there is so much more to these fascinating people and their culture and this book draws readers even further into an extraordinary secret world All of the biggest most colourful ch About the Author Jim Nally is an author
