By Deborah Arends, Susan Todd : Music Makes Memories: The Guide to Choosing the Perfect Wedding Reception Music hi married 8610 and our wedding song was uncle cracker you make me smile and it still makes me smile when i hear it another song i found after the articles photography picture perfect a picture is worth 1000 words they say so what would you like yours to say about your wedding reception Music Makes Memories: The Guide to Choosing the Perfect Wedding Reception Music:

0 of 0 review helpful Great Music Choices By Customer You can tell the authors put a lot of thought and work into this book The songs they picked for the different dances are perfect for weddings A lot of the songs are classic and add

that dignified touch to such a special event Would you not love for your family and friends to remember your wedding as a very special occasion of THEIR lives Music can set the mood the ambience and can give your wedding that special 'feel' You as well as your family and friends would associate particular tunes and songs with your wedding day for the rest of your lives Every time you would hear your First Dance song or your Father Daughter song it will bring tears to your eyes and memories to your
