0 of 0 review helpful A guide to survival By Mabelle Kocurek I had never expected to buy a book to teach me how to go off the grid but I can rsquo t say that I have regrets that I did Actually I rsquo m not even ashamed to admit that if I haven rsquo t done so I would have considered myself a fool Going off the grid is not an easy thing to do especially in a world like ours in which everything is dictated by our electro When people speak of self sufficiency or living off the grid one often starts to think of an isolated stone age like lifestyle devoid of creature comforts And while making the transition to completely self sufficient living can seem daunting for sure with the right plan and enough preparation it doesn t have to be as difficult as you think You don t even have to say goodbye to things like indoor plumbing Survive and Thrive is a t I always wanted to go off the grid and perhaps this book has just showed me how One of the best guides I ve ever read Elijah Mote New York If you re someone who likes to be self sufficient and in complete control of their lives
