Weddings often cost over 25 000 in the USA so getting it wrong can be expensive. Using a wedding planner can help but will cost money. A wedding planner can help to make the planning of a wedding easier and less time consuming but will cost money that could be spent on the wedding. Their cost can be up to 15% of the budget. Use a Wedding Planning Book. You, your partner, your family and your partner's family can all help.
