Planner: The Essential Guide to the Most Important Part of Your Wedding Day:

4 of 4 review helpful My go to book for ceremony planning By Transplanted Texan As a wedding officiant I have purchased many ceremony planning books over the years This has become my go to book especially for couples who want a more secular rather than religious ceremony I recently purchased the newest edition in the Kindle version which comes with downloadable pdf files of the example verbiage for different parts Many couples want a spiritual but not a religious ceremony that truly celebrates their unique set of beliefs values and life circumstances They want their ceremony their way but don't know where to begin or what questions they need to ask The Wedding Ceremony Planner is a comprehensive and user friendly guide It covers everything you need to know to create a beautiful ceremony text and to anticipate and address all the profound and mundane logistics with ease grace From the Author As an Ecumenical Minister I honor all religions and spiritual traditions and each person's right to find his or her own way in these matters Performing weddings is one of my favorite ways to minister for it keeps me constantly in touch with it
