By Renee Wilkinson : Modern Homestead: Grow, Raise, Create theres just something about having a vegetable garden imagine your own organic market right outside you front door no more running to the store for salad 37 responses to learn how to create your own 1 acre self sustaining homestead Modern Homestead: Grow, Raise, Create:

2 of 2 review helpful Transformed me from a gardener to a homesteader By Justin Jones I ve been an occasional hobby gardener for a long time I ve read loads of gardening books most containing great information that made be a better gardener After my daughter was born 3 years ago I gave up gardening for awhile due to time constraints When I decided to start gardening again I was overwhelmed with the amount of work I Sixth generation gardener Renee

Wilkinson embraces the old school while adding a bit of funk in this saavy smart guide to homesteading From a windowsill to a sprawling backyard these are all places we can grow vegetables make homes for animals and fill our cupboards with canned decadence all the while flashing our personal style and taste Filled with beautiful photos and illustrations Wilkinson tells pretty much everything anyone needs to know to get started in sustainable living especially in urban and suburban areas It rsquo s a compact resource that should be kept handy with a val
