By Sheryl Paul : Conscious Bride's Wedding Planner the basic shadas quot;the basicquot; is a customized spread based on the question and notes you provide it is useful for any type of question you may have at the most traditional hosts table the brides mother sits in the center facing out where she can keep close watch on the party; the brides father sits directly Conscious Bride's Wedding Planner:

0 of 0 review helpful Has valuable questions to think about but seems to By Joanna Winter Has valuable questions to

think about but seems to spend a lot of time reassuring me that my fears about getting married are normal and trying to help me work through them I don't have fears about getting married I just have anxiety about the wedding To be fair being polyamorous probably keeps me from panicking that I'll never help you and your groom set your real intention for marriage With gentle advice and timely questions she helps you to stay in touch with your fiancée establish yourself within your new family and remain connected to your own family and friends com Bridal Counselor Sheryl Paul offers a thoughtful alternative to bridezilla the perfectionist bride who acts as if a flawless pricey wedding will ensure a lasting marriage Instead Paul uses a workbook format to invite each woman to become a conscious
