3 of 3 review helpful Great gift ideas for ANYONE on a budget By AnglophileLV I read this book cover to cover and it is filled with my notes and dog ears for useful tips And I mean useful for anyone not just bridesmaids I m a bride myself Like how much food to buy for a party and great gift ideas for under 25 I just went to the bridal shower of my friend two days ago and my gift to her was one I found in this book Bridesmaids today face an average expense of more than 3 000 when they accept the invitation to be in a bridal party Add in the cost of travel and lodging which is increasingly becoming necessary with the growing popularity of destination weddings and that 3 000 climbs to an even higher price tag It rsquo s hard to say no when a friend asks you to be a part of their wedding but in this economy most bridesmaids just don t have the money to participate not w About the Author Sharon Naylor is the bestselling and internationally renowned author of over 35 wedding books including The Complete Outdoor Wedding Planner Bridesmaid on a Budget The Mother of the Bride Book Mother of the Groom and many more award
