1 of 1 review helpful Seems to be more about the same By Barbara L And geared more toward juvenile young women

s styles If you are over 30 yo you might have to think a little more couture with another book I m looking for a book that goes beyond the basics and more for a womanly figure not a young girl s style In my opinion fashion is geared toward the youth but that doesn't mean a older woman Contemporary crafters are thriving on personalizing modifying and altering fashion and as a way to take a greener approach to their creative lifestyle About the Author Stefanie Girard earned her degree in industrial design from Pratt Institute in New York She worked as a set decorator and prop master in the entertainment industry for 15 years She also has worked as a television show producer specializing in
