Living the Self Sufficient Lifestyle In Financial Peace:

2 of 2 review helpful A good overview of some difficult tasks you ll face By Rob Natiuk Wow That subtitle really lays it on thick Wouldn t we all love to live the self sufficient lifestyle in financial peace Would it be in the fancy cabin on the cover or that rundown one in the inside subtitle page Anyway it should be an adventure of sorts to dig into this book and see if the author delivers on some of the promises Have you dreamed of leaving your fast paced high stress world for one that is more laid back Do you want to leave behind the financial hardships of working day in and day out and barely making enough to put food on the table If you answered yes living off the grid is the answer Getting off the grid and transitioning to a self sustaining lifestyle that gives you financial freedom is one way for you to enjoy life more Learning how to grow your own food and living wi
