9 of 9 review helpful Number 1 nerd By chaplun I've followed the author's weekly blog postings on Green Building Advisor's Musings of Energy Nerd since Martin began writing the column back in 2009 and this is a wonderful compilation of his best 50 blogs or so. There's no one who writes better on the potentially dry topic of energy efficient homes; his blogs are always informative, entertaining, provocative, and occasional. In this fascinating collection of postings from his popular "Musings of an Energy Nerd" blog, Green Building Advisor's Martin Holladay cuts through the hype and myths about energy efficiency, sustainability, and green building to present the very best ways to make your home more energy efficient. Martin Holladay has been making weekly postings to his "Musings of an Energy Nerd" blog on Green Building Advisor since January 2009. About the Author: Martin Holladay joined the staff of www.GreenBuildingAdvisor.com in 2008 and writes for Fine Homebuilding magazine about energy-related topics. He has worked as a plumbing wholesale counterperson, roofer, remodeler, builder, and writer.
