planning Planning a Wedding Reception at Home:

0 of 0 review helpful Planning a Wedding Reception at Home How to By Valerie J Henderson I purchased this book to assist me in my party planning business It was truly a waste of my money In the future I would wait until a review about a book had been posted before purchasing it The book only has basic information that is available everywhere Also it did not contain any photographs which would have been great If you re planning to hold your wedding reception at home in your village hall or even in a local barn there s a lot more to think about than if you go the hotel route You ll need to source and book the marquee and contact hire companies for tables and chairs crockery and cutlery table linen loos refrigeration bar facilities a generator and more The good news is that a wedding reception at home can be much more intimate and personal and you are able to be more flexible Full of all the knowledge you need to create the ultimate celebration with the personal touch Leicestershire Rutland Life Budget conscious brides should pick up a copy You Your Wedding By exploring all the options available to you Godsmark ope
