1 of 1 review helpful Save your money buy a bridal magazine By A Customer This is an overpriced collection of

gown manufacturers ad photos mainly from Australian designers with a few Americans thrown in Australian fashion can't possibly be as bad as it looks in this book Most of the gowns are overblown overdecorated fussy puffy Lady Diana meringues highly reminiscent of the 1980s Some of them don't even fit th Featuring the latest in high fashion as well as more traditional designs this book presents a collection of wedding dresses from some of the top names in fashion Also included are hats and jewellery
