0 of 0 review helpful Easy Wedding Planner By JeniC I ordered this Wedding Planning Book the first one that came was all ripped up so I had to send it back and wait for another one I do not like the way the book is bound together I feel you should be able to open and close the binder so that you could punch holes in information that you receive and place it into the book I still have a bunch of papers all over the place This beautiful keepsake wedding planner offers up to date content and price ranges useful features and an attractive well organized design This book is an essential for brides looking for a comprehensive and easy to use guide to plan their wedding About the Author Alex A Lluch is a

renowned author who has written more than 200 books in a diverse range of subjects including business weddings weight loss health fitness babies pregnancy self help and more He has sold more than 4 million books
