By Rob Hopkins : The Transition Handbook: From Oil Dependency to Local Resilience we would like to show you a description here but the site wont allow us dfinition de transition cologique la quot;transition cologiquequot; est un concept cr par lenseignant anglais en permaculture rob hopkins n en 1968 The Transition Handbook: From Oil Dependency to Local Resilience:

We live in an oil dependent world arriving at this level of dependency in a very short space of time by treating petroleum as if it were in infinite supply Most of us avoid thinking about what happens when oil runs out or becomes prohibitively expensive but The Transition Handbook shows how the inevitable and profound changes ahead can have a positive outcome These changes can lead to the rebirth of local communities that will grow more of their own foo
