By Jaclyn Geller : Here Comes the Bride: Women, Weddings, and the Marriage Mystique may 30 2001
here comes the bride has 73 ratings and 12 reviews beth said before i read this book marriage as an

institution had always seemed wrong to me somehow in here comes the bride jaclyn geller exposes the social forces that shape how people feel about weddings women weddings and the marriage mystique Here Comes the Bride: Women, Weddings, and the Marriage Mystique:

3 of 4 review helpful Nice to see my feelings explained in print By Catherine Skidmore I really enjoyed this book Geller explores the history behind marriage traditions and explores the pros and cons admittedly more cons than pros of marriage in the 21st century It s refreshing to see someone address what I see as truth in such a logical way She is successful in presenting objective arguments throughout the book In Here Comes the Bride Jaclyn Geller exposes the social forces that shape how people feel about weddings calling into question some of the deepest held beliefs about this tradition Divided into three sections the book begins with how to get your man manuals and ends with the newlywed year First there rsquo s Courtship and the Marriage Quest rdquo Geller looks at the absurd nature of proposals the inane practice of engagement and gift giving and the bizar From Publishers Weekly Tempt a woman with a truckload of wedding gifts and social approbation says Geller and she s more than happy to forget that matrimony is the last institution she should want to join given its patriarchal history A single woman in her 3
